

HOOK SWIPE FILE: 50 SCROLL-STOPPING OPENERS

The first 2 seconds decide everything. Each hook works muted: big text + motion + contrast.

Format: **on-screen text** · *visual idea*

■ BOLD CLAIMS (1-10)

1. **I made 10 reels in 1 hour** · *a timer racing, reels stacking up*
2. **Editing is dead. Directing is in.** · *a timeline crumpling into a ball*
3. **This took me 4 minutes** · *the finished video slamming in*
4. **No timeline. No keyframes.** · *keyframes popping like bubbles*
5. **AI edited this entire video** · *split screen raw vs final*
6. **Your editor hates this trick** · *a big red stamp*
7. **The fastest way to make reels in 2026** · *a speedometer maxing out*
8. **I stopped using Premiere** · *a software logo sliding off screen*
9. **One sentence. One finished ad.** · *a typed prompt, then the ad plays*
10. **This is what ₹0 music sounds like** · *waveform bursting on the beat*

■ QUESTIONS (11-20)

11. **Still editing like it's 2015?** · *an old CRT monitor glitching*
12. **Why do your reels get 200 views?** · *a sad counter*
13. **What if you never touched a timeline again?** · *the timeline fading away*
14. **Can AI really edit like a pro?** · *a robot hand clicking*
15. **How long does your edit take?** · *a clock spinning wildly*
16. **Want captions like this?** · *giant pop captions bouncing*
17. **Do you make this caption mistake?** · *a red circle on bad captions*
18. **Is your hook killing your video?** · *a fishing hook snapping*
19. **What would you make with 10 free hours?** · *a calendar emptying*
20. **Ready to see your video edit itself?** · *the cursor moving by itself*

■ PAIN POINTS (21-30)

21. **Hours per reel?** · *coffee mugs piling up*
22. **Your footage is great. Your edit isn't.** · *a split comparison*
23. **Captions take forever** · *typing word by word, sped up*
24. **Copyright strike again?** · *a "video muted" banner*
25. **Clients want 10 versions** · *formats multiplying*
26. **Can't afford an editor?** · *an empty wallet flip*
27. **Your brand looks different every post** · *mismatched colours shuffling*
28. **Stuck at 'export'?** · *a progress bar stuck at 99%*

29. **AI videos look fake?** · *a morphing hand, then the clean fix*

30. **Too many tools. Too little time.** · *a dozen app icons collapsing into one*

■ CURIOSITY & STORY (31-40)

31. **Watch what happens when I say "zoom in"** · *instant zoom on the word*

32. **I typed 3 words and got this** · *a reveal*

33. **Here's what nobody tells you about editing** · *a whisper text*

34. **POV: your edit finishes before your coffee** · *the coffee still steaming*

35. **I gave AI my worst footage** · *shaky raw clip, then polished*

36. **The secret behind viral captions** · *a magnifying glass on captions*

37. **This sheep learned video editing** · *a clay sheep at a laptop*

38. **3 seconds. That's all you get.** · *a 3-2-1 countdown*

39. **Day 1 vs Day 30 of vibe editing** · *side by side*

40. **Remove me.** · *the speaker vanishes into particles*

■ DIRECT & CTA-STYLE (41-50)

41. **Stop scrolling. Start directing.** · *a hand stopping the feed*

42. **Save this for your next video** · *a bookmark icon pulsing*

43. **Comment EDIT and I'll show you how** · *a comment box typing EDIT*

44. **3 edits that doubled my views** · *a 1-2-3 slam*

45. **Steal my caption style** · *captions sliding into a "copy" box*

46. **Do this before you post** · *a checklist ticking*

47. **Your next reel, done in 5 minutes** · *a 5:00 timer*

48. **Watch till the end for the free template** · *a gift box shaking*

49. **Tag someone who still edits manually** · *a tag icon pop*

50. **Direct the vibe. Let AI do the keyframes.** · *the lime highlight bar wipes in*

■ HOW TO TEST HOOKS

- Make 2-3 versions that differ ONLY in the first 3 seconds.
- Post at the same time on different days, or run them as ad variants.
- Keep the winner's *pattern*, not just its words.
