## ■ PRICING WORKSHEET

| QUESTION                                       | YOUR ANSWER          |
|------------------------------------------------|----------------------|
| hours it really takes you (with AI)            |                      |
| value to the client (sales, leads, time saved) |                      |
| rush fee (< 48 h)?                             | +25–50%              |
| rights / ads usage?                            | +20–30% for paid ads |
| revision rounds included                       | 2                    |

## ■ RULES THAT PROTECT YOU

- 50% upfront. Always.
- Revisions = 2 rounds included; extra rounds are paid.
- Retainers beat one-offs: offer a monthly pack after every successful project.
- Never compete on being cheapest. Compete on speed, quality and reliability.

DIRECT THE VIBE. LET AI DO THE KEYFRAMES.
